

CONTENTS

IV INTERNATIONAL SYMPOSIUM IN RENAL OSTEODYSTROPHY

Guest editors:

J. B. Cannata Andía, M. Naves Díaz and M. Rodríguez García

- **Genetic abnormalities on hyperparathyroidism: comparative genomic hybridization in the study of parathyroid hyperplasias**
S. Afonso, J. C. Cigudosa, I. Santamaría, A. Otero, J. Menárguez and J. L. García Miranda
- **Regulation of the calcium-sensing receptor. Influence of secondary hyperparathyroidism**
J. L. Fernández Martín, I. González Suárez and J. B. Cannata Andía
- **The PTH/PTHrP receptor. Biological implications**
P. Ureña
- **The growth plate in chronic renal failure**
F. Santos, M. Fernández Fuente and E. Carbajo
- **Effect of growth hormone and calcitriol in the growth plate of uremic rats**
B. Amil, M. Fernández-Fuente, F. Santos, J. Rodríguez, L. Díaz-Tejón, E. García and E. Carbajo
- **Effect of desferrioxamine and deferiprone on the 1,25(OH)2D3-stimulated osteocalcin secretion in osteoblast-like cells**
I. González Suárez, J. L. Fernández Martín, M. Naves Díaz and J. B. Cannata Andía
- **Vitamin D receptor genotype and 24 hydroxyvitamin D influence on blood pressure in healthy individuals**
S. Muray, E. Parisi, A. Cardús, L. Craver, M. P. Marco and E. Fernández
- **Role of PTH, phosphate, and metabolic acidosis in the progression of renal disease in azotemic rats**
A. Jara, C. Chacón, A. Valdivieso and M. Ibaceta
- **Osteodystrophy parameters evaluation in a predialysis unit**
G. Barril, P. Sanz, E. Bardón, T. Andrino, S. Cigarrán, A. Díaz and R. Selgas
- **The spectrum of renal osteodystrophy in Argentina**
W. Douthat, G. Garay, J. de Arteaga, J. L. Fernández Martín, J. B. Cannata Andía and P. Massari
- **Effect of strontium on bone histomorphometric parameters in haemodialysis patients**
S. Gerstenfeld, L. Hinojosa, M. Serrano Arias, P. Menéndez Rodríguez, J. L. Fernández Martín, J. M. Marchante, J. I. García Alonso, A. Sanz-Medel y J. B. Cannata Andía
- **Role of the diet in the management of renal osteodystrophy in progressive renal failure**
I. Martínez, R. Saracho, J. Ocharán, R. I. Muñoz and J. Montenegro
- **Early treatment of secondary hyperparathyroidism in moderate renal failure: a low phosphorus diet versus calcium carbonate**
N. Aresté, J. Amor, T. Cambil, M. Salgueira, R. Sánchez-Palencia, C. Páez, O. Gómez and A. Palma
- **The assay of the hypocalcemic PTH fragment inhibitor with PTH provides a more accurate assessment of renal osteodystrophy compared to the intact PTH assay**
T. Cantor
- **Review of the concept of «sufficiency and insufficiency» of vitamin D**
C. Gómez Alonso, M. Naves Díaz, M. Rodríguez García, J. L. Fernández Martín and J. B. Cannata Andía
- **Osteoporosis, estrogens and bone metabolism. Implications in chronic renal failure**
J. B. Díaz López, A. Rodríguez Rodríguez, B. Ramos, C. Caramelo, M. Rodríguez García and J. B. Cannata Andía
- **Importance of the estrogen deprivation period in the effectiveness of the hormonal replacement therapy in the experimental chronic renal failure**
A. Rodríguez Rodríguez, M. Naves Díaz, C. Díaz Corte, A. González Carcedo, T. Fernández Coto and J. B. Cannata Andía
- **Management of hyperphosphatemia**
J. Amor and A. Palma
- **Physician misconception of «adequate phosphatemia» may be a determinant factor for hyperphosphatemia**
W. Douthat, A. Alles, S. Marinovich, S. Tirado, A. Peñalba and S. Prudkin
- **Bone mass estimated by digital X-ray radiometry (DXR) in haemodialysis patients**
L. Reyes, M. Rodríguez García, C. Gómez Alonso, J. Megido, P. Ruiz de Alegría, A. Fonseca, M. Gorostidi, E. Gago, R. Forascepi, J. Guerediaga and J. B. Cannata Andía
- **Prevalence of vertebral fractures and vascular calcifications in patients on haemodialysis: comparison with a population of the same age and gender**
M. Rodríguez García, C. Gómez Alonso, M. Naves Díaz, J. B. Díaz López, J. Megido, E. Gago, R. Forascepi and J. B. Cannata Andía
- **Vascular and tissue calcifications in haemodialysis**
A. Peñalba, G. Neme and S. Tirado
- **Differential effect of analogs of vitamin D in the vascular smooth muscle cells proliferation**
A. Cardus, C. Gallego, S. Muray, M. P. Marco, E. Parisi, M. Aldea and E. Fernández
- **Bone complications after renal transplantation**
A. Torres, S. García, Y. Barrios, D. Hernández and V. Lorenzo
- **Osteoporosis after renal transplantation**
S. Trabulus, S. Apaydin, M. R. Altıparmak, N. Seyahi, M. Sariyar, K. Serdengeçti and E. Ereğ
- **Bone loss in pediatric renal transplant recipients**
A. A. Elhusseini, A. E. El-Agroud, M. A. Sobh and M. A. Ghoneim
